

ABOUT INDIAN LAW SOCIETY

BEYOND CONVENTION

The Indian Law Society (ILS) was established in 1923 with a mandate to impart legal education on scientific basis and to provide facilities for study of law. The aim and object of the Society was guided by the Vedic philosophy expressed in its motto :

“धर्मो विश्वस्य जगतः प्रतिष्ठा । लोके धर्मिष्ठं प्रजा उपसर्पन्ति ।
धर्मेण पाप मपनुदति । धर्मे सर्व प्रतिष्ठितम् । तस्माद्धर्म परमं वदन्ति ।”

'Law is the foundation of the Whole Universe. People follow him who respects the Law.

By Law are all transgressions cured. In fact, everything is centered in Law.

Hence Law is considered to be supreme'.

'Law is the foundation of the Whole Universe. People follow him who respects the Law. By Law are all transgressions cured. In fact, everything is centered in Law. Hence Law is considered to be supreme'.

To fulfill the mandate of Dharma, the Society established the law college known as the ILS Law College in 1924. The ILS Law College has completed 89 years of its dedicated service in the field of legal education. The College has been accredited by the National Assessment and Accreditation Council (NAAC) with A+ grade in the year 2004, and has always been ranked among the top 10 law schools in India according to the survey conducted by India Today.

The ILS Law College is proud of its academic achievements and the galaxy of past students who brought excellence and scholastic reputation to the College. The College has given three chief justices to the Supreme Court of India, judges to various High Courts and the subordinate Court. Leading members of the Bar, academicians, industrialists, artists and politicians are the alumni of the college. The students, teachers and everyone associated with ILS are the engineers and the beneficiaries of the reputation we enjoy today.

Globalization has posed several challenges to legal education. Today's lawyer is to be prepared for taking risks, challenging assumptions, identifying available opportunities and above all be part of social change.

At ILS, we believe that teaching-learning equation, whether within classroom or outside, encompasses in it innovative strategies. Gone are the days when teaching revolved and evolved around 'chalk and talk'. Innovations now have become inevitable and integral part of curriculum development. Best education is where all faculties / human attributes are put to the fullest use making teaching learning stimulating and inspiring both for teachers and learners.

Bringing excellence with social responsibility remains our all time quest and we know that we are setting for ourselves challenging goals. To achieve these goals, intense and comprehensive curriculum is designed for different diploma and certificate courses to bring specialization and advanced learning. The Society established its Research Institute the Institute of Advanced Legal Studies (IALS) in 1991 to undertake research and promote legal awareness among lay people with a view to strengthen the rule of law.

I appeal to all of you to be part of the ILS legal education programme and help us march on the path of justice, liberty and equality.

Thank you,

Vaijayanti Joshi
Hon. Secretary
Indian Law Society
